Allan Smith is a very thoughtful and considerate person. He is not too terribly quiet, but he doesn't scream all over the place. He played on the soccer team and he has nice legs. He likes being with his friends, partying and canoeing. Allan will always be remembered for his favorite slogan "You must be high".

Judi Baagsby is a nice person when she isn't yelling. She is glad she is not going to be here next year—probably because of Heather Smith & Robin Potash bugging her. Her hobbies are acting and photography. Last of all, her double locker is what she likes the best in the school.

Larry Brown wants to be remembered for all his gum. He participates in hockey, soccer, football and basketball. He won a baseball trophy, and says he is not crazy.

Ricki Perkins is a person who likes to listen instead of talking, so she can take in all the things around her. She wants to be remembered for living through Kem's english class. She says her special craziness is Judi B. Ricki's special hobbies and interests are reading and plants.

Leo was a part of the year book staff. He wants to be remembered for his small eyes and his penknife. Leo was the Friar in "Romeo and Juliet." He earned straight A tickets and his most famous line is "Eye see you." Leo likes carpentry, electronics, and photography.

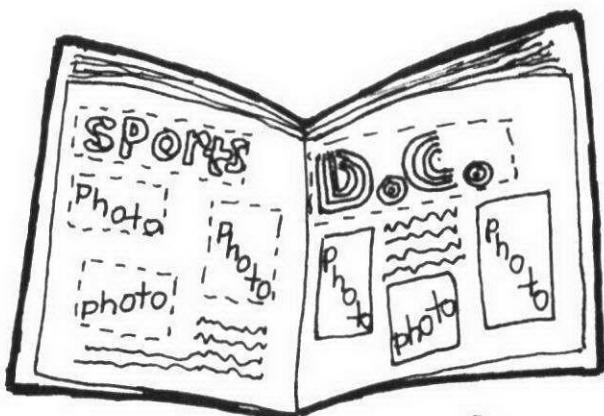

Rachel wants to be remembered for her support of Women's Lib and reading lots & lots of books. She participated in "Romeo & Juliet" and "The Miracle Worker." She won straight A tickets. Her hobbies are collecting stamps & buttons.

...and now for your pleasure...

the

Kevin loves sports as you can see by all the playing he does. He plays hockey, football, baseball, basketball and soccer. He also won straight A tickets. K.V. is definately not crazy in any way; he is perfectly normal (HAI) K.V. also collects beer and soda cans.

Crista doesn't know what she wants to be remembered for, but I think she will be remembered for bloodshot eyes and windblown hair. She is on the yearbook staff and is one of the photographers. Crista's special craziness is her music, which consists of "White Huskies and Yellow Snow." She loves cats, photography and partying.

Ben Messenger doesn't want to be remembered. He was the goalie for the hockey team this year with two losses, and everyone thought he was good. Ben was connected with the "rotating planet" craziness just like his brother.

Stephanie is very outspoken, & no one can out speak her. She says she never went with Scott, but no one really knows. She likes skateboarding, politics & chemistry. She was on the hockey & soccer teams, and participated in "Romeo and Juliet."

Todd hasn't won any awards but who knows, maybe some-day he will. His craziness is being connected with the Open Arms Hotel and Photography. Since this is his last year at Crossroads, he will always be remembered for his nic-name : "Toad!"

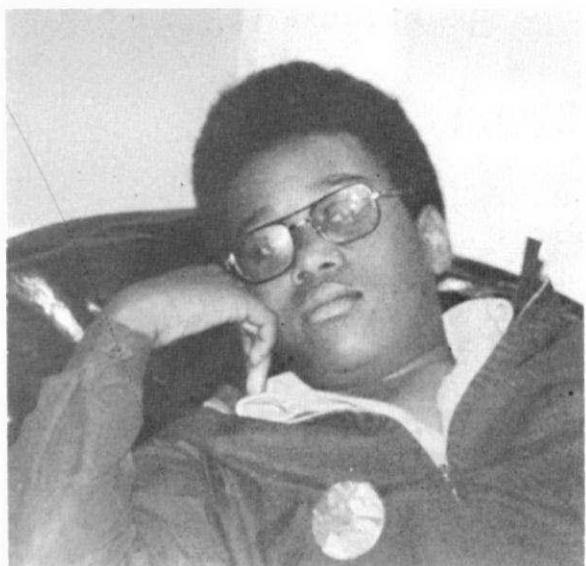

Susan is a member of the "Foxy Five". She has compulsive cravings for bar-b-Q fritos and an obsession with Swensons Ice Cream Parlor, but to look at her you'd never guess she eats at all.

Judy J. is in the 9th grade completing her third and last year at Crossroads. She was in the play "Romeo & Juliet" as Romeo's mother. She is connected, in a crazy way with Heather Smith. She is also very interested in Baton Twirling.

Bev is a sweet person in her own way. She likes to party & horse back ride. She has frizzy hair and big baby blue eyes. Everyone likes Bev, but no one knows why!

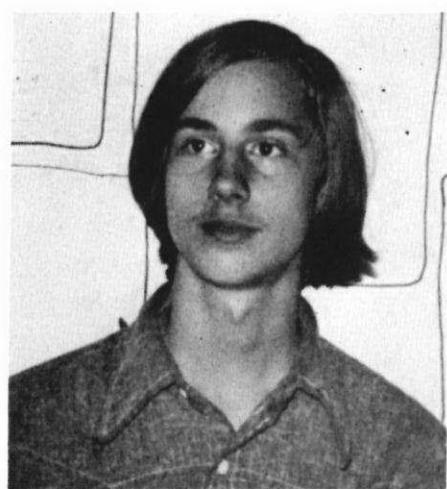

Jerome is the founder and only winner of the "Jerome Shavers' Honesty Award." He was in the "Miracle Worker" and "Romeo and Juliet." His special crazinesses include acting and breaking things. We'll all remember Jerome.

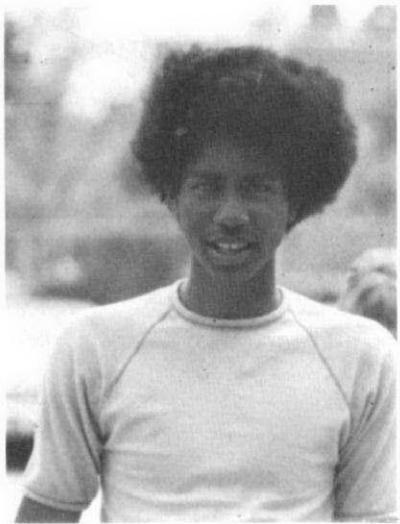

Robin wants to be remembered for "How she is." She participated in the Folklore festival. Her special craziness is "Oh God, everything". Robins hobbies and interest are collecting empty perfume bottles and pictures of animals.

Christie McClelland has what you might call an effervescent personality. She participated in all of the plays put on this year and is very interested in track.

Robert (Bob) Jordan is the quiet type. He likes soccer and drawing. He participated in the Nature and Hiking classes' camping trips. This is Bob's third and last year at Crossroads. He wants to be remembered for falling asleep in Eddie's Frontiers of Science class.

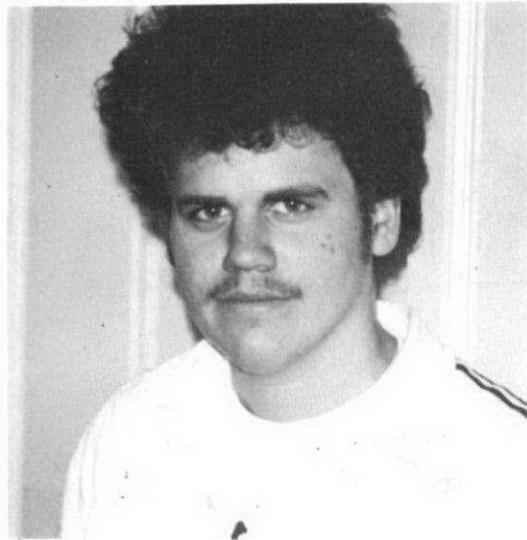

Brian McNeal is a tall, all around athlete. He will always be remembered for his nick name "The Mac". He was on the hockey, basketball and soccer teams. He likes to skateboard and watch T.V. Brian is in ninth grade. This is his third and last year at Crossroads.

Alan is famous for his jokes, even though they are all corny. He participated in the Mustard Seed Festival and in all 4 soccer games. Alan likes magic & stamp collecting. He leaves 1 last joke:
What is flat at the bottom, pointed at the top, & has ears?

Answer: a mountain

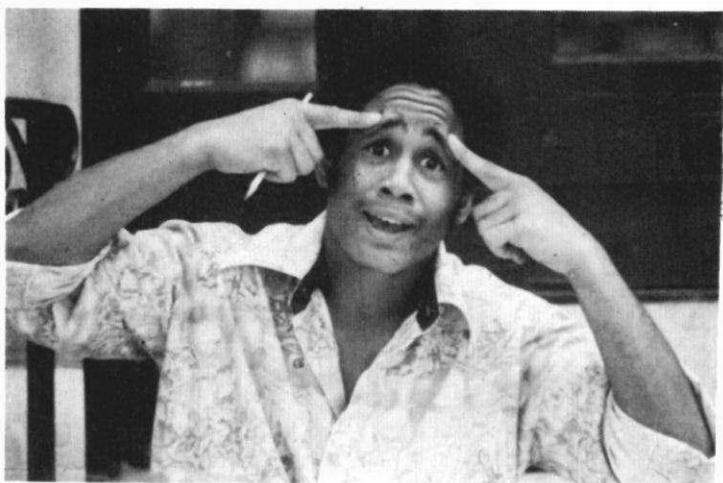

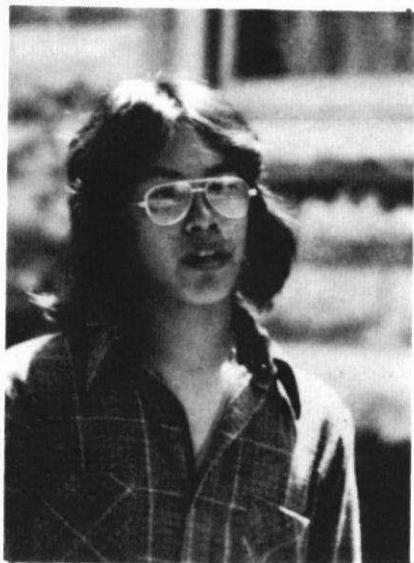

Marc insists he has suffered for 3 years in this "damn" school. He loves soccer and he likes to play chess. He even won 2nd place in a chess tournament. Boy are we proud of him! He also likes photography.

Paul wants to be remembered for his good looks. He plays soccer and hockey. He is a member of the Dill Pickle Society of Milwaukee. He likes concerts and dill pickles. People also believe he is a generous person.

If you happened to see Larry in Algebra class without a four day supply of food, then you have seen a rare sight. He doesn't eat food he "inhales" it. He only likes food and sex (it figures). He got straight "A" tickets and plays hockey and football. He says he is not crazy, but I don't know about that!

Karl wants to be remembered for his "Snickers" candy bars, which he is always eating. He was on the basketball team and won "straight A" tickets. Karl loves music and plays in a band called "Chariot".

John wants to be remembered for his outstanding leadership. He acted in both plays ("Romeo & Juliet" also "The Miracle Worker"), and he loves watching T.V. John gets his thrills by hitting people with hockey pucks. He plays the trumpet and has a twin brother who also goes to this school.

Barbara is a person who likes to joke around a lot. She also has nice white teeth. She was in the play "Romeo & Juliet" and is on the year book staff. She won straight "A" tickets and has nick-named herself "Duck". Also she is very fascinated by BOYS!

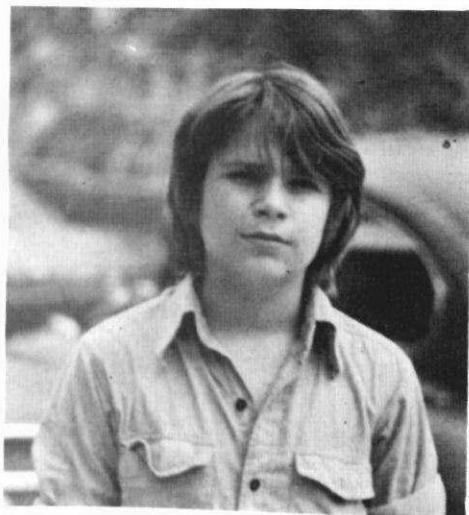

I would like to be remembered forever, and he probably will be by every teacher and every student at crossroads. He participated in Hockey, Soccer and "Romeo & Juliet". We don't think there's been anyone who has seen him serious. He is famous for his collection of hats, he also likes to draw & has a great SENSE OF HUMOR!

Kathy set a Crossroad's record by enrolling twice within the same school year. She is a member of the "Foxy Five." She was a dancer in "Romeo and Juliet" and a cast member in "The Miracle Worker."

Catherine likes to play goalie on the Soccer team. She's interested in politics, swimming and her mother. When she grows up, she would like to be a Math teacher, an art teacher or a lawyer.

Scott said he wanted to be remembered for "Not going with the crowd." He organized a Valentine's Day party for the staff. Scott thought the craziest thing he did was coming to Crossroads. He enjoys plants and bike riding.

There is only one Jim Igoe, and he is very unique. There is even a little song that's been made up about his last name. "Jim Igoe, where you go We will never forget the famous "Igoe-Duffy Comedy Hour" we were forced to listen to on the camping trip. He will also be remembered for a very special good deed: assisting a woman in trouble in front of Bel-Air Motel.

Heather Sultz is a good student who got straight A tickets. She really likes Outward Bound adventures, cross country skiing, and says that Rachel Rosen is slowly making her crazy. Did you know that every summer she goes to New York to stay with a tribe of Indians called the Onondagas?

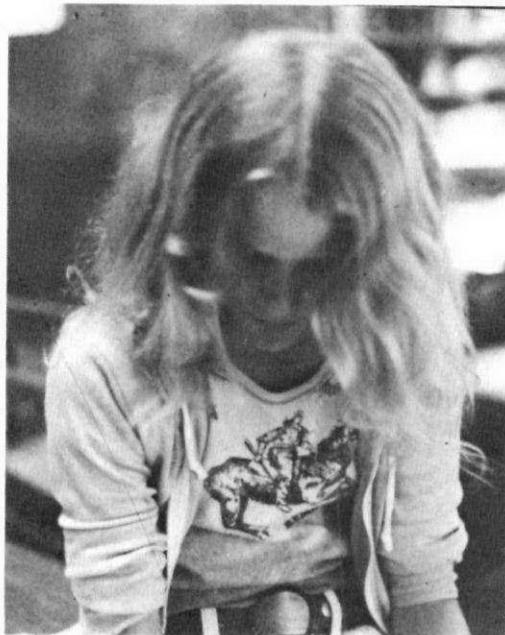

Britt is a sports fan to his heart, there is nothing that he would rather do than get his hands on a basketball. He is often seen in the company of his good friend Larry Brown.

Fawn wants to be remembered for her "great" art work. She participated in starting fights at lunch, stealing hats and kissing Al. Her special interests and hobbies are art, and promoting warped minds.

Heath was an unknown at CROSSROADS; no one even knew he went here. Kids thought he was the Janitor. He wants to be remembered for his Marlon Brando jacket and his blue jeans. Heath, like "the Fonz" loves motorcycles.

Is this really Ana, or could it be Harry Reasoner of T.V. Station K.R.A.P.? Rumor has it that she won the "Sexiest Body Award." She was in two plays, went on several camping trips and is a great tic-tac-toe artist. She has a terrible ego and loves to dance.

MIKE ALWAYS HAS A COMPLIMENT FOR SOMEONE. HE WAS IN "THE MIRACLE WORKER" AND LIKES BASKETBALL, SKATEBOARDING, AND LOVES MOTORCYCLES. MIKE SAYS HE WOULD LIKE TO "DROWN IN AN OCEAN OF GOLD!"

Logan asked us to remember him for his manly good looks, but really his long legs and tight pants. He was a member of the hockey team and an actor in the *Miracle Worker*. He also thinks he can sing! His hobbies are changing light bulbs and waxing floors.

Heather is a very sweet person with a very sweet tooth. She is always eating candy, and never gains an ounce. She participated in folklore day, assisting with candle-making. Her everyday, special craziness is her connection with Judy Jordan.

Jill played Annie Sullivan in the play, "The Miracle Worker" and a dancer in "Romeo and Juliet." She loves Mick Jagger, going to concerts and the "Flamin' Groovies." Jill is also a member of the "Foxy Five."

Nikki Levine - This long haired
brunette of about 5'3" and about

The Bunny Hop at the 50's party.
